

TROTTER FAMILY FOUNDATION

Annual Impact Report

A MESSAGE FROM OUR FOUNDERS

Our organization operates by taking small steps toward an overall goal of improving outcomes for youth who age-out of the foster care system. We are looking forward to another year of inching closer to our target. A small step can have a great impact!

A YEAR WITH UNIQUE CHALLENGES

It is not easy to do the heavy lifting and meet our benchmarks. It takes a team. We have enjoyed sharing our story, making new connections, and engaging our community in new ways. As you will see by our humble fundraising, our goal is to keep the administrative costs low and still make a big impact. We don't just volunteer in our free time or seek to help others when we can. We live and breathe service in our daily lives.

Please stick with us on this journey and maybe we can all have a greater impact on youth and families who need a helping hand in a time of need.

IMPACT SNAPSHOT

4

New donors to added to TFF

3

Volunteer engagement events participated in

10

New engagements in our survey participation

FUNDS RAISED

\$200.00

Fundraising campaigns in 2022 were a big help to our organization and we utilized Facebook's funding match! We saw an increase in funding and set benchmarks for 2023.
